

# Logging in and using Digital Backpack

The screenshot shows a dialog box with the TAMU logo at the top. Below the logo, it says "Select your domain" and has a dropdown menu with "tamut.local" selected. There is a checkbox labeled "Remember this setting" which is checked. At the bottom, there is a dark blue button labeled "Next" and the VMware logo.

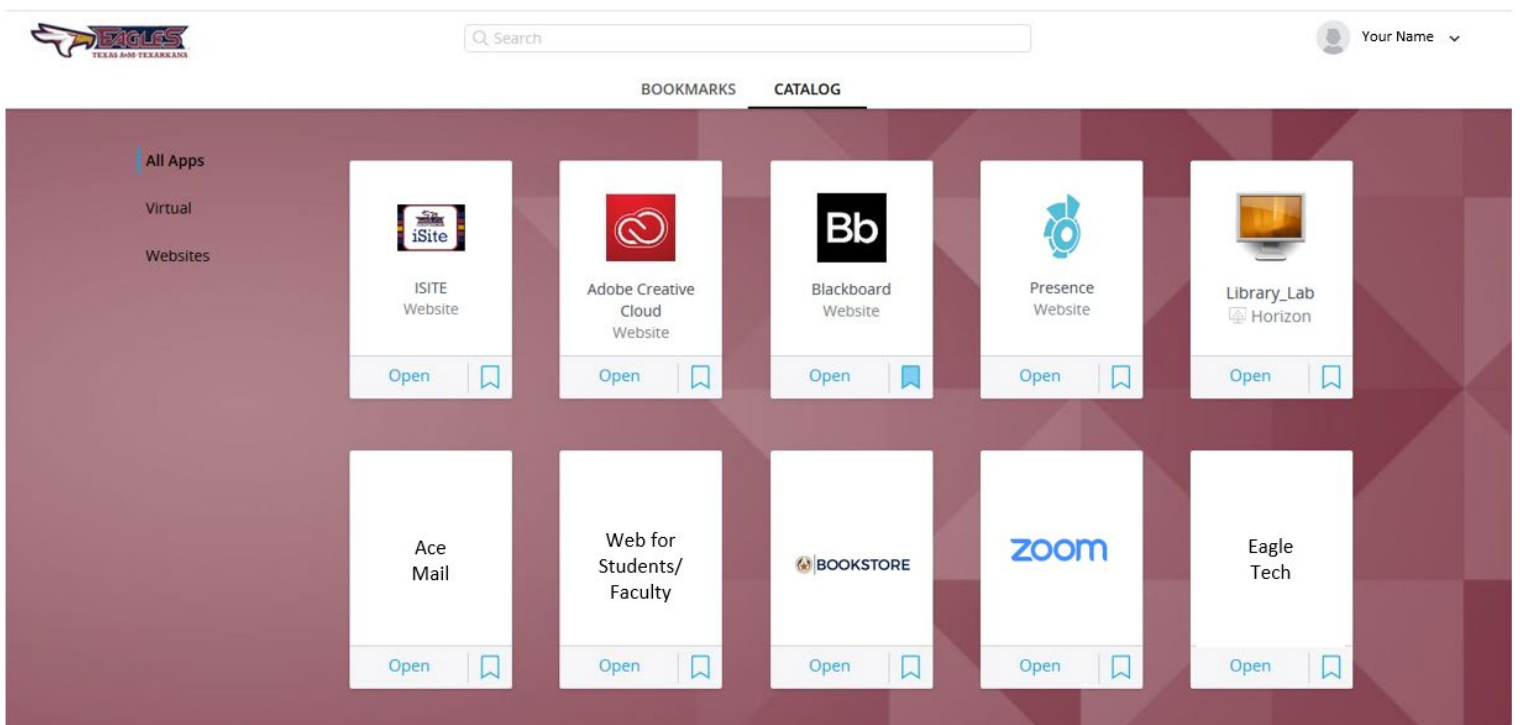

- If you see this dialog box on first access, please click **Next**, and proceed to sign-in.

The screenshot shows the login form with the TAMU logo at the top. It has fields for "username" and "password". Below the password field, it says "tamut.local". There is a dark blue button labeled "Sign in". Below the button, there are links for "Forgot password?" and "Change to a different domain". At the bottom, there is the VMware logo.

- Visit [portal.tamut.edu](https://portal.tamut.edu)
- Enter your EagleID username
- Enter your password
- Click **Sign in**

After signing in, to enter the desired application, click Open. Access to EagleID applications will be granted without reentering user name and password. Other applications will require the necessary credentials.

The screenshot shows the TAMU Digital Backpack dashboard. At the top, there is a search bar and a user profile icon labeled "Your Name". Below the search bar, there are tabs for "BOOKMARKS" and "CATALOG". The main area displays a grid of application tiles. Each tile has an icon, a title, and an "Open" button. The tiles are: iSite Website, Adobe Creative Cloud Website, Blackboard Website, Presence Website, Library\_Lab Horizon, Ace Mail, Web for Students/Faculty, BOOKSTORE, zoom, and Eagle Tech.
