REMINDER: Programs/Student Outcomes must be made publicly available on your program's website. The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a URL link to your completed Vital Statistics Survey report will satisfy this requirement.

Once this data has been posted, send the URL link to the location on your website via email to cacrep@cacrep.org. If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the URL link to the outcomes report changes when you update this information, you need to send a copy of the new URL link via email to cacrep@cacrep.org.
