<tbody>
<tr>
<td>Fall 2011</td>
</tr>
<tr>
<td>Goal Met</td>
</tr>
</tbody>
</table>

E. Changes and Discussion Based on Results:
• Fall 2011 - changes
• Spring 2012 – changes
• Fall 2012 – changes
• Spring 2013 – changes
• Fall 2013 – changes
• Spring 2014 – changes

Each Student Learning Outcome (SLO) should be inserted in the most specific (white) level in the Student Learning Outcomes section on Taskstream.

Your measures, measure descriptions, and descriptions of expected results should be inserted in the Assessment Plan section on Taskstream.

Description of your results and how you plan to disseminate the findings should be inserted in the Assessment Findings and Dissemination of Findings sections on Taskstream, respectively.

Descriptions of the changes you plan to make and discussions of these plans should be inserted in the Program Improvements and Status of Program Improvements sections, respectively.
