For more than 80 years, NBC News has been documenting the people, places, and events that have shaped our world.

NBC Learn is making these resources available to faculty and students for use in class and for research.

Access it today for free: http://highered.nbclearn.com or from the library databases.
Trusted resources from NBC News.

Primary Sources
Hear the speeches, watch the events, and witness the greatest moments, as NBC News cameras recorded them at the time.

Original Series
Access to award-winning original series like “Science of NFL Football” and “Finishing the Dream: Learning from the Civil Rights Era.”

NBC News Standards & Practices
Be assured that every archival and current events resource is held to the highest NBC News legal standards and professional practices.

Timely current events updates.

Updated Daily
NBC Learn provides access to the latest current events from around the world. Updated five-days-a-week across a range of subjects.

Streams In High-Definition
NBC Learn uses the latest multi-bitrate streaming technology to stream HD video to your computer, laptop, or tablet, even if you have limited bandwidth.
