A&M-Texarkana Ambassadors should possess:
- A social personality which allows them to interact well with people from diverse backgrounds.
- The ability to communicate clearly with prospective students in various situations and have a professional attitude.
- A motivation to provide potential students with a knowledge and understanding of college life at A&M-Texarkana.
- A willingness to plan and participate in University special events.
University Scholarship Policy:

Funds are awarded in two payments – Fall and Spring Semesters - and will be credited to the student's account prior to the first class day of the semester.

Amendments to the scholarship program may be made by the University Advancement Office.

Students must make application with the A&M-Texarkana University Advancement Office in order to be considered for this fund.

Recipients must maintain the minimum criteria of the scholarship prior to the disbursement of the award year.

The A&M-Texarkana Coordinator of Scholarships will confirm that each scholarship candidate meets the GPA eligibility requirements.

All scholarships recipients are selected without discrimination based on age, sex, race or religion.

The scholarship committee is consulted in the event that two or more applicants exhibit equivalent qualifications.
