FRESHMAN ADMISSIONS REQUIREMENTS

College Readiness Standards
House Bill 3826 of the 80th Legislature established requirements for student eligibility for admission to any Texas public university under the Uniform Admissions Policy. The Uniform Admissions Policy requires that all first-time undergraduate students meet one of the following college readiness standards in order to be eligible to be considered for admission to a four-year public institution.

A first-time undergraduate is a student who has no prior postsecondary experience at the undergraduate level or who has only earned college credits prior to graduation from high school.

Successfully complete the recommended or advanced high school program or complete the portion of the program that was available to them; or

1. Successfully complete a curriculum that is equivalent in content and rigor to the recommended or advanced high school program at a high school that is exempt from offering such programs; or
2. Satisfy the College Readiness Benchmarks on the ACT or SAT assessment:
   SAT – 1500 out of 2400
   ACT - 18 English, 22 Mathematics, 21 Reading, and 24 Science

A Certificate of Courses Equivalent to the Recommended or Advanced High School Program will be required for a freshman who meets definition of a first time undergraduate, as listed above, and did not graduate from high school under the recommended or advanced high school program.

An undergraduate student who has attended college after high school and has earned 1-29 hours is EXEMPT from meeting College Readiness Standards.

A&M-Texarkana Admissions Standards
A freshman applicant must meet one of the following to be eligible for admission to the university.

1. Automatic Full Admissions
   High School Class Rank - Top 25% OR
   ACT Composite Score 20 or above/SAT Score* 940 or above OR
   High School GPA of 2.50 or Higher & ACT Composite Score 18-19/SAT Score* 860-930
   *(Critical Reading and Math)
   (Students applying under the top 10% automatic admission category must have graduated in one of the two school years preceding the academic year for which the student is applying.)

2. Eagle Access (combination of High School GPA and ACT or SAT score)
   High School GPA of 2.00 – 2.49 & ACT Composite Score 18-19/SAT Score* 860-930 OR
   High School GPA of 2.00 or Higher & ACT Composite Score 17/SAT Score* 820-850 OR
   High School GPA of 2.50 or Higher & ACT Composite Score 16/SAT Score* 770-810
   *(Critical Reading and Math)
   Students admitted under the Eagle Access criteria will be required to complete a Learning Contract prior to registration.
Students Who Have Completed College Courses

It is the applicant’s responsibility to request official transcripts from all colleges and universities that he/she has ever attended, including dual credit or concurrent enrollment. You cannot disregard any part of your college record except under provisions of the Academic Fresh Start Policy. Failure to submit all transcripts could result in administrative withdrawal from the university. Records from one institution posted on a transcript from a second institution cannot be used for admissions purposes.

Bacterial Meningitis

Senate Bill 1107 requires ALL entering students to provide an official record of immunization. This includes:

- A student who is NEW to A&M-Texarkana.
- A student who PREVIOUSLY attended an institution of higher education or private or independent institution of higher education before January 1, 2012 and who is enrolling in the same or another institution of higher education or private or independent institution of higher education after a break in enrollment of at least one fall or spring semester.

It is important to consult a physician about the need for the immunization against bacterial meningitis to prevent the disease.

Exemptions:

- Students who are 30 years of age or older.
- Enrolled in ONLY online or other distance education courses.
- A student or parent/legal guardian of a student can claim an exemption from the vaccination requirement.

The documentation must indicate that the student has received a bacterial meningitis vaccination dose or booster during the 5 year period prior to enrollment. Approved documentation includes:

- A certificate bearing the signature or stamp of a physician of his/her designee, or public health personnel on a form which shows the month, day and year the vaccination dose or booster was administered.
- Official immunization record generated from a state or local health authority.
- Official record received from school officials, including a record from another state.

Students attending Texas public institutions of higher education must be in compliance with the Texas Success Initiative (TSI), as of Fall 2003 (Texas Education Code §51.3062) in order to enroll in public institutions of higher education. The law requires all entering college students to be assessed for college readiness in reading, mathematics and writing unless the student qualifies for an exemption. Each student who fails to meet the minimum passing standard of the exam offered by the institution must be placed in a developmental education program designed to help the student achieve college readiness. Additional information regarding this requirement can be found online at http://www.tamut.edu/Registrar/texas-success-initiative-tsi.html. Please contact the Registrar’s Office at (903) 223-3069 or the Academic Advising and Student Success Center at (903) 334-6724 for additional questions.
