

Texas A&M University-Texarkana
Position Announcement

ASSISTANT/ASSOCIATE PROFESSOR OF NURSING (2 POSITIONS)

The College of Health and Behavioral Sciences at Texas A&M University-Texarkana is currently seeking an outstanding candidate at the Assistant/Associate Professor rank in Nursing.

Qualifications:

Required Qualifications:

- Earned doctorate in nursing or appropriate field from a regionally accredited institution.
- Nursing experience in a health care agency, 3 years minimum.
- License (or eligibility) as RN in Texas and Arkansas.
- Strong interpersonal and communication skills.

Preferred Qualifications:

- Record of scholarship and teaching excellence.
- Grantsmanship skills.
- Teaching experience in a baccalaureate or graduate nursing program.

Responsibilities:

- Primary responsibility will be to teach assigned nursing courses per semester.
- Additional responsibilities require advising students, participating in scholarly activities, fulfilling committee assignments, and engaging in professional, university and community service.
- The individual will be expected to have the curricular knowledge to participate in the development and maintenance of a new Master of Science degree program for registered nurses (RN-to-MSN), and participate in program evaluation and accreditation.

Nine-Month Salary: Competitive, based on qualifications and experience.

Application Requirements:

- A letter of interest. The letter of interest MUST ADDRESS how the candidate meets the required qualifications along with which preferred qualifications the candidate meets. Failure to do so will result in the application not being considered.
- Current curriculum vitae.
- Copies of university transcripts (official transcripts required prior to employment).
- A list of three current professional references with complete contact information.

Send all application materials in electronic form (preferably as a single PDF file; no more than 20 pages).

Note: Applicants will not be contacted unless they become a finalist.

Review of complete applications will begin December 15, 2009 and continue until filled.

Projected Starting Date: September 2010; Fall Semester
