### Federal Family Education Rights and Privacy Act (FERPA)

Maintaining the confidentiality of educational records is the responsibility of all faculty, staff and student employees at Texas A&M University-Texarkana. Knowledge of the Family Educational Rights and Privacy Act (FERPA) is important to ensure that student education information is protected in compliance with FERPA guidelines. It is important that each person with access to student record information of any type understand his/her legal responsibilities under FERPA and in accordance with University policy. To ensure compliance, it is required that you be aware of federal law as well as System and University regulations that govern student records.

As the employee, I understand that I must adhere to all data security policies and data insertion standards. I have read this form in full and agree to the conditions and terms outlined.

Employee Signature:

### Supervisor Approval

By signing below, the supervisor certifies that the access requested is required to perform the duties of the employee's position and that the Laserfiche administrator will be notified of any change in the duties or status of the listed employee.

As the employee's supervisor, I understand it is my responsibility to explain and create a level of awareness in the employee concerning the University's data standards.
