

# 2020 TEXAS A&M UNIVERSITY-TEXARKANA PARKING REGULATIONS

## PURPOSE

The purpose of this regulation is to ensure the safe and orderly flow of vehicular traffic and to provide information as to parking procedures on campus. Pursuant to the authority granted by the Texas Education Code, 51.202, 51.203, 51.205, 51.206, 51.207, and 51.210, Texas A&M University-Texarkana has established regulations and procedures applicable to anyone who walks, drives, and/or parks a vehicle at the Bringle Lake campus.

## PARKING IS A PRIVILEGE

The operation of any vehicle on the Texas A&M University-Texarkana campus is a **PRIVILEGE** granted by the University and *not an inherent right* of any faculty/staff member or student. Each vehicle operator is responsible for knowing and following the laws and regulations enforced. All faculty/staff and students who park on the University campus must purchase a parking permit/sticker from the Business Office in the University Center. Purchase of a parking permit does not guarantee a parking place on campus. The University is not responsible for fire, theft, damage to, or loss of any vehicle and/or its contents while parked or operated on University property.

## ENFORCEMENT

All traffic laws and parking regulations will be enforced by the Texas A&M University-Texarkana University Police Department (UPD). UPD officers may issue in county tickets for violations such as parked in a fire lane or parked in a handicap space.
