Introduction to Housing

Mission Statement

We are here to help lead and facilitate a safe environment conducive to learning, development of interpersonal skills, and unite our residents together. Simultaneously, we strive to keep the hall safe, enjoyable, clean, and keep our residents' interests in mind.

Amnesty Policy

Students who are engaged in minor violations but who choose to bring related serious violations by others to the attention of the University are offered amnesty for their minor violations. Educational options will be explored, but no conduct proceedings or record will result. Abuse of amnesty requests can result in a decision by the Assistant Vice President of Student Affairs not to extend amnesty to the same person repeatedly.

Residence Hall Staff

Resident Assistants (RA)

Each wing has its own Resident Assistant. These are typically upperclassman students who plan programs for the wing and the building, serve as a resource for residents, and help to create and maintain an environment conducive to academic, personal, and social growth. RA job details include various administrative functions, desk and on call shifts, and a variety of other obligations. RAs are also responsible for the enforcement of housing policies and the documentation of policy violations. Residents should contact their RAs first with any questions or problems; if the RA cannot personally help the resident, they will direct the resident to someone who can assist the resident. RAs are supervised by the Assistant Director of Residence Life (AD).

Desk Assistants (DA)

The front desk is staffed when the hall is open. Desk Attendants assist visitors; issue equipment, various sporting items, keys, and other materials available to residents for check-out; report maintenance requests; and perform other administrative tasks that may arise. They are also an excellent resource for housing and Texas A&M University - Texarkana information. Desk Attendants report to the Assistant Director of Residence Life (AD).

Assistant Director of Residence Life (AD)

The AD is the supervisor of Bringle Lake Village and performs administrative tasks to ensure the continued progress and sustainability of the Office of Residence Life.

Custodians & Maintenance (SSC)

The custodians and maintenance personnel keep public areas of the building clean and make repairs within Bringle Lake Village. Texas A & M University - Texarkana contracts custodial and maintenance through a third-party contractor; known as SSC. Any concerns about the cleanliness or repairs should be reported to your resident assistant or directly to the AD.

The Residence Hall Bill of Rights

Texas A&M University - Texarkana has some basic expectations that govern the special nature of interpersonal relationships in the residence hall. These are reasonable expectations that the students shall have for one another while sharing space in the residence hall. The Residence Hall Bill of Rights outlines these expectations:

- The right to sleep during the night undisturbed.
- The right to sleep in one's room free of noise and distractions during quiet hours.
- The right to access one's room and facilities at all times.
- The right to feel secure against physical or emotional harm.
- The right to clean rooms and clean common areas.
- The right to have one's belongings respected.
- The right to have guests in one's room when said guests will not disturb your roommate's right to sleep or study.
- The right to privacy.
- The right to redress grievances.

These rights apply to all students living on campus. Violating the rights of other students may result in disciplinary actions and/or reassignment to another location.

Resident responsibilities

In a group living situation, it is important for you to understand your rights as a student and your responsibilities to others. The right to study and sleep is a priority in the residence hall environment. Your major purpose for enrollment is to pursue an education. Excessive noise and distractions inhibit this goal. Therefore, when you choose to exercise a subordinate privilege, such as, but not limited to, playing your music or entertaining guests, it is your responsibility to make sure that you and your guest(s) both in and around Bringle Lake Village are not inhibiting another person's rights to sleep or study. When you enroll as a student here at Texas A&M University - Texarkana and you sign your housing agreement, you are agreeing to abide by the rules and regulations of Texas A&M University-Texarkana as outlined in the Bringle Lake Village Housing Guide and the Student Code of Conduct. As a student, you are responsible for becoming familiar with the contents of these publications.

Safety in Bringle Lake Village

Safety within Bringle Lake Village begins with the residents. The Office of Residence Life always encourages you to keep your door locked. Report suspicious behavior to a staff member and/or University Police Department (UPD). Never prop open outside doors or the fire doors in the hallways. Any resident caught propping open doors places all others in the hall at risk and will be subject to disciplinary action. It is each resident's responsibility to follow the rules and regulations associated with safety procedures in the residence hall. In a community living situation, the safety practices of everyone greatly affect the safety of the other members of the community.

Emergency procedures

In case of an emergency, contact one of the following:

1. A Resident Assistant (Also known as an RA). The RA on call number is 903-809-3486.
2. Front Desk Assistant (Also known as a DA). The front desk number is 903-334-6812.
3. University Police (Also known as UPD) can be contacted at (903) 334-6611.

Fire procedures

In the event of a drill or actual fire, all residents are required to evacuate the building. All residents must follow the instructions of Residence Life staff, UPD Officers, and/or fire-fighting personnel. Keep the following items in mind in the event of a fire:

1. Exit the building. Walk; do not run. Be particularly careful in stairwells. Do not use elevators. Those with mobility challenges and unable to walk downstairs safely are to report to the stairwell to await further assistance.
2. Proceed directly to a place of safety. Do not attempt to salvage personal belongings.
 - For BLV, the safety location is the west parking lot.
 - For Eagle Landing, the safety location is to the east of the central plant parking lot.

3. Close doors and window(s) when you leave.
4. Before opening a closed door, feel it to see if it is hot. If your door is hot, attempt to find another exit route.
5. A towel or blanket soaked in water can be helpful in combating smoke inhalation.
6. At all times, follow the instructions of personnel authorized to take charge at the scene of an emergency. If you have any questions about the procedures, contact your Resident Assistant immediately.
7. Do not enter the building until all clear by staff or fire professionals. Stand away from the building. Fire alarm pull stations and fire extinguishers are installed throughout the hall. The fire alarm system in each building will automatically notify Texas A&M University - Texarkana personnel as well as the local fire department when activated.

Tornado procedures

When a tornado or other severe weather is reported, residents are to move in an orderly manner to the designated location within the building for shelter.

If you are in Bringle Lake Village, please move to the first floor, B-wing hallway (center hallway). You are also allowed to shelter in the guest bathrooms or the B-Wing stairwell if the hallway is filled.

If you are in Eagle Landing and can safely do so, please make your way to the first floor of the Central Plant building.

If a tornado warning is declared, immediately move to the designated area of safety. If there is no time, get under your desk and place your mattress over your desk. Always protect your head and neck. Keep away from windows.

Keep the following items in mind in the event of a tornado:

- Close room doors.
- Proceed to the center of the hall, away from all windows and doors.
- Take a blanket or a pillow to protect your head & neck.

Summer terms are contracted and billed separately from the academic year. Residents may have to relocate to a temporary room during longer breaks. Residents are permitted to stay over shorter breaks, like Thanksgiving, when the Assistant Director of Residence Life and the Assistant Vice President of Student Affairs permit it. The completion of minor paperwork (i.e. break housing application) may be required so that the Office of Residence Life may maintain a list of students remaining on campus over said breaks.

Residents will be held accountable for any damage they cause in common areas and resident rooms. In situations where no individuals can be held accountable for damages, the Office of Residence Life reserves the right to “group bill” all residents that may have been associated with damages. Each resident understands and agrees that they are responsible for the replacement/repair costs for any damage that may occur to the premises and/or its contents associated with incidents where damage has been caused. Nothing should be hanging on the ceiling or within eighteen inches of the ceiling to comply with the fire code. Door decorations must be limited and shall not be offensive in nature. No decorations should be wrapped around the room doors as this can present a hazard in case of a fire. All decorations are subject to the approval of roommates. All decorations visible through the window or on the door should be in good taste. Pictures and other materials that may be considered objectionable are not to be displayed in areas that may be visible outside the student's room. Holiday lights may be used on a limited basis. Refer to Holiday Decorations on page 26.

Disciplinary Process

Residents and their guests are required to abide by the rules in the Bringle Lake Village Housing Guide. When residents or guests violate a rule or procedure, a staff member will report the event on a departmental incident report. This incident report will be submitted to the Assistant Director of Residence Life and may lead to a disciplinary hearing and/or a disciplinary sanction.

- Intentional damage and/or vandalism to the elevators, such as prying elevator doors open, hitting the button in a repeated fashion, jumping, etc.
- Overloading the elevator
- Excessively pressing the elevator call button in non-emergency situations
- Evacuating people from the elevator without trained personnel

If you are trapped in an elevator, sound the alarm, contact UPD at (903) 334-6611, and wait for help to arrive.

Emergencies

Emergencies should be reported to UPD at (903) 334-6611 and to a Bringle Lake Village staff member.

Extension Cords/Surge Protectors

Extension cords are strictly prohibited within on campus housing. All appliances need to be plugged directly into the wall. Power strips/surge protectors shall never be placed above the ceiling tiles, underneath the carpet, stapled, taped, or pinched in any way. Daisy-chaining or connecting multiple power strips is strictly prohibited. Block surge Protectors (those mounted over an outlet providing additional plugs) are considered multi-plug units and are not allowed within Bringle Lake Village. All surge protectors must have an electrical cord that connects to the wall outlet. Only power strips with built-in circuit breakers (surge protectors) may be used in rooms. Improper use of surge protectors may result in disciplinary sanctions and/or fines. These items, when found, will be confiscated by staff, and may be retrieved at the end of the semester. The definition of a power strip/surge protector is hereby defined as: A device used to extend power connections and/or split into multiple connections that contains a reset mechanism to safely protect all electronics against surges of power.

Exterior Door

The Bringle Lake Village exterior/side doors with card access are always locked. Residents are expected to carry their student ID card to gain access to Bringle Lake Village. Propping of exterior/side doors and/or tampering with locks are considered serious security violations. Residents are expected to aid in maintaining the security of the hall; please do not hold the door open for non-BLV residents or anyone you do not know. Student ID cards are never to be given to another person to enter Bringle Lake Village. Violating this policy may result in disciplinary sanctions or fines.

Extermination of Pests

Exterminators will provide preventative treatment in each hall on a regular basis throughout the year. Contact a staff member should you have questions related to this service. If you suspect bed bugs, please contact your RA or AD immediately. They need to be dealt with quickly to ensure that they do not spread to other residents' rooms.

Fighting, Threatening, or Acts of Violence

The uses or threat of force, violence, or terrorist activities against members, guests, or property of Texas A&M University – Texarkana is prohibited. Any student found in violation may be given disciplinary sanctions and/or fines such as suspension from Texas A&M University - Texarkana.

Finals

All students are expected to check-out of the hall within 24 hours of the completion of their finals or by noon on the day the hall closes, whichever comes first, unless arrangements have been made with the AD in advance, to stay.

Fire Doors

It is essential that corridor and stairwell doors be always kept clear. In the event of a fire, the doors will automatically close to slow the travel of smoke, heat, toxic gases, and fire from the area of origin. Nothing shall be attached to a fire door. Propping of doors and attaching items to fire doors may result in disciplinary sanctions and/or fines.

Fire Drills/Equipment

Texas A&M University - Texarkana will hold fire drills to acquaint the residents with fire evacuation procedures. All residents and guests shall follow directions during the drills. Failure to evacuate the building may result in disciplinary action, a monetary fine, and possibly suspension.

Because it is imperative that fire and safety equipment functions properly when it is needed, the following acts are prohibited:

- Tampering or playing with fire extinguishers, smoke detectors, exit lights, or emergency lights.
- Tampering with or pulling a fire alarm under false pretense
- Removing smoke detectors or otherwise rendering a smoke detector inoperable (i.e., covering with a plastic bag)
- Propping open fire doors

Any person being found to have tampered with, damaged, or destroyed a room smoke detector will be fined a minimum fee of \$100. Texas Penal Code § 42.06, False Alarm or Report is listed as a state jail felony as TAMUT is an institution of higher education. State jail felonies are punishable by 180 days to two years in state jail and a fine of up to \$10,000.

Firearms, Weapons, Ammunition, Explosives, and Fireworks

Firearms, weapons, ammunition, explosives, and fireworks are strictly prohibited in the residence hall unless you are a concealed handgun license holder in the state of Texas or in a state whose license is recognized in the state of Texas. A concealed handgun license holder may carry a concealed handgun on or about the license holder's person while the license holder is on the campus of Texas A&M University-Texarkana, unless prohibited by TAMUT rule, state, or federal law. When in Bringle Lake Village, any resident of campus housing who is a concealed handgun license holder must store their handgun in a safe that is provided and installed by Texas A&M University - Texarkana. Please ask the front desk for a safe if you need one.

The possession or threatened use of these items is strictly prohibited on TAMUT property or at TAMUT functions. This includes, but is not limited to pistols, paint guns, paint ball guns, water balloon launchers, rifles, stun guns, nun chucks, slingshots, pellet guns, blowguns, air-powered guns (airsoft), projectiles, swords, spears, switchblades, knives with a blade 4 inches or longer, taser guns, nerf guns, etc. These items should not be stored in a vehicle parked on campus.

Floor/Wing/Community Meetings

Each semester, mandatory meetings have been held in each living area. Attendance and participation in these meetings are mandatory because information concerning safety and security, as well as other important information, will be distributed. Residents are responsible for all the information distributed during these meetings. Roommate contracts must also be completed by the end of the first two weeks of school. Failure to attend the hall meetings without prior approval from an RA may result in fines or other sanctions.

Front Desk

The Bringle Lake Village front desk is open 24 hours a day/ 7 days a week. In the event a Desk Attendant is not present, there should be a sign stating when the DA will return or who to contact in case of an emergency. If you are having an emergency contact the Resident Assistant on call at: (903) 277-4566. Students who are not Residence Life Staff members are not permitted behind the front desk without express permission from a Resident Assistant or the AD. Residents are not allowed to sit on the counter-top of the front desk. Residence Life Staff are the only ones permitted to use the computer behind the front desk. This includes viewing the monitor as sensitive information is stored on that computer. Failure to comply with these rules may result in a disciplinary sanction and/or fine.

Furniture

Furniture must remain in its designated space. Common area furniture that is removed by a student for their private use will be considered stolen and disciplinary action may be taken. Room furnishings are to remain in the rooms at all times. No additional locks may be installed. Students may not leave any type of furnishings or property outside of their room or in the hallway. Roommate Agreement

Communication is the most important factor in building a good roommate relationship. Many roommates assume they know how each other feels and do not discuss issues like the use of personal belongings. These assumptions are not always correct and can lead to conflict. The Roommate Agreement is meant to help begin the process of discussing issues that have been found to be sources of conflict. Once a potential conflict is identified, it can be resolved through compromise before a major problem arises. Resident Assistant are always a resource, but they will often ask what the roommate agreement says!

A few things to begin asking your roommate(s) as you work through the agreement are:

- Have you ever shared a room before?
- What are some of your hobbies?
- What kind of food do you eat?
- What is your favorite snack?
- What is your favorite drink?
- Do you like to have people over in the room?
- Do you have any allergies?

It is important that students get to know a few things about their roommate(s) since they will most likely be seeing them every day, if not a few times a week. We ask that students try to keep their roommate(s) in mind while living at Bringle Lake Village.

Resident Assistants will be delivering blank Roommate Agreement forms to each room over. Please take the time to complete this form and return it before the twelfth-class day.
